

Ball Creek Stabilization Engineering Study

Phase I

- **Grantee:** Town of North Harmony
- **Objectives:** Produce an engineering study to recommend actions along a ~2,600 stretch of Ball Creek. Study will recommend improvements to reduce erosion and improve water quality entering the lake.
- **NYS Funds:** 2022 Non-Agricultural Nonpoint Source Planning Grant, Environmental Protection Fund Administered by NYS Dept. of Environmental Conservation
- **Matching Funds:** Town of North Harmony
- **Partners:** Alliance, JM Davidson
- **Status:** Complete

Pictured above is section of Ball Creek near the I-86 Bridge. Within the project area, several locations have severely eroded banks in need of bank and/or channel stabilization.
