

Town of Chautauqua Stream Culverts

Assessments

- **Grantee:** Town of Chautauqua
- **Objectives:** Produce an engineering study to recommend actions to replace or repair two culverts in order to improve water quality of the lake, mitigate flooding, and improve public safety.
- **NYS Funds:** 2022 Non-Agricultural Nonpoint Source Planning Grant, Environmental Protection Fund Administered by NYS Dept. of Environmental Conservation
- **Matching Funds:** Alliance/Foundation Match Fund; Town of Chautauqua
- **Partners:** Alliance, EcoStrategies
- **Status:** Engineering completed in 2025 by EcoStrategies. Construction funding secured via separate NYSDEC WQIP grant in 2026.

Pictured above is an aged culvert located on Elmwood Road. The structure has degraded significantly at the top and right of the frame. Stream erosion is also a concern.
