Chautauqua Elmwood Road Stream Culvert Replacement Project

- **Grantee**: Town of Chautauqua
- **Objectives**: Replace a failing stream culvert, install bank protection, protect roadway, reduce erosion to streams and lake
- **NYS Funds**: 2025 Water Quality Improvement Project, Environmental Protection Fund Administered by NYS Dept. of Environmental Conservation
- **Matching Funds**: Town of Chautauqua
- **Partners**: Alliance
- **Status**: Engineering completed by EcoStrategies in 2025 via separate NYS NPG grant. Construction planned for 2027/28.

Pictured above is an aged culvert located on Elmwood Road. The structure has degraded significantly at the top and right of the frame. Stream erosion is also a concern.
